

Spanish Power Standards (Fall 2007)

From World Language 5 C's:

1. Interpersonal Communication: We engage in conversations, provide and obtain information, express feelings and emotions, and exchange opinions.
2. Practices of Culture: We demonstrate an understanding of the relationship between the practices and perspectives of the cultures studied.
3. School and Community: We use the language both within and beyond the school setting.

From Communication EALR's:

4. We listen and observe to gain and interpret information.
5. We effectively use action, sound, and/or images to support presentations.
6. We work cooperatively as a member of a group.
7. We write in a variety of forms.
